Each year the Reading Fire Department prepares an annual report that reflects the department’s activities and accomplishments for the previous year. This document provides summary information about the work our members perform as they labor to protect the people who live, work, and recreate within the City of Reading and the Village of Arlington Heights.

We are committed to provide the best possible proactive approach to fire safety, prevention and education. We will pursue excellence while remaining efficient and cost effective. I am confident that a review of this report will confirm our dedication to this goal. May we continue to work together to make our communities a safe and productive environment for all concerned. We assure every citizen that our mission will be accomplished in a fashion which reflects this Department’s dedication to outstanding customer and community service.

I wish to express my appreciation and thanks to each and every member of the department for the splendid dedication and performance of their duties. A special thanks to Lieutenant Paul Gallo who prepared this summary of the department’s activities for 2010.

My sincere gratitude to Mayor Bemmes, the administrative staff, and the members of City Council for their continued cooperation and help. I also wish to express my appreciation to Mayor Surber and the entire Village of Arlington Heights, as we approach the third year of contracting our services to their community.

Sincerely,

Kevin D. Kaiser

Fire Chief

Vision

To reduce death, injury, and property loss from fire and to reduce morbidity and mortality from sudden illness or injury.

Mission

The mission of the Reading Fire Department is to protect life, property, and the environment.

We will accomplish this with professional, knowledgeable, and dedicated personnel, using the allocated resources efficiently.

We pledge to deliver the highest quality of emergency medical services, fire suppression, public education, and fire prevention to meet the needs of our community.

Values

Honor

Pride

Teamwork

2010 Population is based on 2009 census data.
2010 Population includes Arlington Heights.

The population in the City of Reading decreased to 10,561 in 2009 from 11,292 in 2000. However, the population (11,404) protected by the fire department increased slightly due to the Arlington Heights contract.

While the population grew by only 112, the number of incidents per 1,000 people increased from 13.9 to 17.1.

House fire on Gebert St.
In 2010, the largest number of incidents occurred in the EMS category (72%) followed by mutual-auto aid (13%) and service calls (4%).

Fire incidents accounted for 2.7% of total incidents. This is up from 2.1% in 2009.

Auto accident with injuries – Reading & Columbia.
Calls by Month

In 2010, the highest number of incidents occurred in January (10.5%) followed by October (10%) and December (10%).

In 2010, the highest number of EMS incidents occurred in August (9.6%) followed by January (9.1%) and July (9%).
Response Times

The Reading Fire Department Response Standards specify the minimum criteria needed to effectively and efficiently deliver fire suppression and emergency medical services. The Response Standard is six (6) minutes to all emergency alarms within the city limits. 88% of the EMS responses, up from 86% in 2009, were made within 6 minutes. 77% of the fire responses, up from 69% in 2009, were made within 6 minutes.

Overlapping Incidents

Overlapping incidents are when multiple incidents are occurring at the same time. This happened 16% of the time during 2010 as compared to 2009 at 15%.
2010 INCIDENTS BY DAY OF WEEK

- Sunday: 238
- Monday: 298
- Tuesday: 294
- Wednesday: 303
- Thursday: 282
- Friday: 276
- Saturday: 259
